Reunion Location

San Antonio, Texas Westin River Walk Hotel

The hotel is located on a beautiful quiet section of the San Antonio River Walk. Yet just a short walk along the river walk to most of the downtown attractions, shopping, restaurants and clubs.

We are getting a great group rate for this time of year with **3 days at group rate allowed either side of the Reunion.**

La Villita is a block away. The Alamo is a couple of blocks away as well as Hemisphere Park, Museums restaurants, and shopping. All within a short walk along the beautiful River-walk. The Fiesta River Parade is on Monday the 11th. Many other local events on the week of the 10th.

A Very Casual Event

This will be a very laid back informal event. The main purpose of which is reconnecting with old friends and making new friends. Giving you as much free time as possible to spend with one another.

Plan on staying longer

We will be there at the beginning of Fiesta Week, April 7th - April 17th (11 days)

Reunion Information

Arrive Thursday the 7th if possible, for better airfare prices, and time to relax. Because of Fiesta Week there will many things going on in the San Antonio area.
