Yearbook Needed

Leslie Hines

Americal Division Vietnam Era Historian

Is looking for a copy of the **1970-1971** 6/11th Artillery Yearbook. He would like to make 300 DPI resolution scans of the yearbook so that it can be shared with Americal Division Veterans.

The copy we have on our Smugmug site was scanned at 96 DPI, not high enough for historical needs. If anyone can provide 300 DPI resolution scans of the entire book or loan their copy to be scanned contact one of the following.
