Kitty Millard's Granddaughter Singing TAPS

<http://www.youtube.com/watch?v=Wkm4imcJs7E>

Hi Gang:

This is Taps sung by my granddaughter. She sang this at my husbands celebration of life service on August 27, 2011.

Long before Bob got sick, he had requested that we have her record some special music for his service. I had the idea of her singing the words to TAPS to end the service instead of the traditional bugle.

In memory of all those who have gone before us.
Kitty Millard
