Plan on staying longer

Worth Looking Into

Click here to upgrade your room from \$40 per night.

When you reserve your room at the Westin you will receive an email confirmation. On the right side of the confirmation email is a little gold lettered box.

This will offer you an upgrade to the riverside rooms with balconies and breakfast for two included each day, for an extra \$40 per day.

Not a bad deal considering upgrading to a riverside room alone is \$24 per day.

Miscellaneous Information

We are there at the beginning of Fiesta Week, the busiest time of the year in San Antonio, book your room early to assure you are not left out. The River parade is Monday night, and passes by the hotel. Plan on an extra day for that.

A cash bar will be available Friday night in our Event Rooms. There is a bar on the river level, adjacent to our Event Rooms, and we may bring drinks to our Event Rooms from the bar on Saturday and Sunday.

We are allowed to bring Liquor, beer and snacks to our upstairs hospitality suite, which has a wet bar, sitting area and balcony overlooking the Riverwalk. BYOB. Space is limited here. Which is why the Event Rooms at river level will remain available to us throughout our Event.

An on-premises restaurant serves three meals a day, and many restaurants line the Riverwalk and vicinity.

It should be warm enough to swim in the pool in April. However, we also recommend a light sweater or windbreaker since the weather can be slightly cool in the mornings and evenings. **Dress for all events is casual.**
